

ALUMINIUM AEROSOL CANS

CLASSIC

These sizes represent our standards. Alltub is able to meet all your requirements concerning diameters, lengths, shoulders and pressure resistance over 18 bars.

Our vast experience, our qualified know-how and specialization in terms of innovation allow us to propose different artwork solutions suitable to shape your ideas.

Alltub offers a large choice of finishes: from transparent metallic overvarnish to more sophisticated effects (mat, gloss, pearl, glitter, glazed, metallic).

ALUMINIUM AEROSOL CANS

ALLTUB has created a new generation of aluminium cans called TWIN, NEW SMART AND GROOVE to respond the market requirements.

Our Shaped Cans, available as standard, are proposed with the aim to personalize the customer's own brands.

In order to promote aluminium aerosol cans we are now able to offer SWITCH and SWITCH-SHAPED cans to fit all kind of spray-caps available on the market.

Alternative shapes combined with different sizes can be produced according to specific requirements.

TYPE TS

Twin Shape

TYPE NS

New Smart

TYPE SWS

Switch Shape

TYPE SW

Switch

TYPE G

Groove
