

## Alltub Group Acquires Tubettificio La Metallurgica, Strengthening Its Leadership in Aluminium Tube Packaging

Amsterdam, February 5, 2026

Alltub Group, the global leader in aluminium tube packaging solutions owned by One Equity Partners, is proud to announce the acquisition of Tubettificio La Metallurgica, a renowned Italian manufacturer of collapsible aluminium tubes founded in 1947. This strategic move reinforces Alltub's commitment to innovation, quality and sustainability in the packaging industry.

Tubettificio La Metallurgica has built a strong reputation for excellence in producing high-quality aluminium tubes for food, pharmaceutical, cosmetic, and industrial applications. By joining forces with Tubettificio La Metallurgica, Alltub expands its manufacturing footprint in Europe and enhances its ability to serve customers with greater flexibility and efficiency.

“This acquisition marks an important milestone for Alltub,” said Mark Köllmann, CEO of Alltub Group. “La Metallurgica’s expertise and heritage perfectly complement our global capabilities. Together, we will continue to deliver cutting-edge packaging solutions that meet the evolving needs of our customers worldwide.”

“We are proud of our history and the trust we have built with our customers since 1947,” said Luigi Bianchi, CEO of Tubettificio La Metallurgica. “Joining Alltub Group allows us to combine our tradition of quality with the resources and global reach of a market leader. This partnership will create new opportunities for innovation and growth while maintaining the values that have defined us for nearly eight decades.”

The integration of Tubettificio La Metallurgica into Alltub Group will strengthen the company’s position as the preferred partner for sustainable aluminium packaging, leveraging shared values of quality, innovation, and environmental responsibility.
